# ABOUT SHRISHTI

Shrishti Art Gallery, established in 2000, has become one of the foremost art galleries in India, showcasing modern and contemporary Indian art. The name “Shrishti” means creation and reflects its commitment to fostering a space where both established and emerging artists can display their talents. In the past 23 years, the Gallery has curated over 200 exhibitions featuring diverse artistic expressions, including paintings, sculptures, graphics, drawings, and new media, both in India and abroad.

Our Gallery not only exhibits artworks but also conducts workshops, discussions, and art consultations to guide artists and art collectors alike. Moreover, we offer advisory solutions to individuals, architects, interior designers, and corporates to discover and collect artworks that align with their preferences and tastes.
